To help offset increased labor costs due to new California local and state ordinances, a 3.75% surcharge is included on all catering orders in California.

# CATERING MENU

A top-down view of several Mexican dishes served on rustic, terracotta-colored plates. The dishes include various types of tacos (some with shrimp, some with beef, some with chicken), tostadas, and bowls of beans and guacamole. There are also some small bowls of sauce and a whole roasted chicken on a plate with lemons and avocado. The background is a light, neutral color.
